

Green Fingers Potting Mix

Newsletter 2011

MOVE TO NEW PREMISES

In April, New Owners moved Green Fingers to Bigger and Better Premises at Woongoolba.

Our new premises allowed Green Fingers to improve on the Quantity and Quality of our Products.

We invite you to call in and inspect our new premises and meet the Green Fingers Team

Award Winning Year

NGIA - "NATIONAL" SUPPLIER AWARD - 2011

In April, Tony Mullan was in Melbourne at the National Awards Night to accept the Award for NATIONAL Supplier Award 2011

NGIA - State Supplier Award 2012

Hat-Trick for Green Fingers - excited to win the State Supplier Award for 2012 - This takes the success for Green Fingers to 3 Consecutive years 2010, 2011 & Now 2012

"One of the Highlights of 2011 was to be awarded National Winner of the NGIA Suppliers Award back in April this Year. This was truly rewarding, but to win 3 "NGIQ State Supplier Awards" in Consecutive years (2010 - 2011 - 2012) was very special and deserved to the team at Green Fingers, making us very proud." Tony Mullan Sales & Operations Manager

Merger with Rocky Point Mulching has allowed Green Fingers to strengthen and lift to a whole new level and together receive SAI

Global Aust Stds Accreditation

www.rpmulching.com.au for the full range of Bagged Products

Green Power Compost

A rich combination of vegetative matter, allowing for the exclusion of nasty soil microbes and inclusion of beneficial microbes and activants. The body and soul of all our soil blends and totally organic. Samples now available!

New Release

Commercial Garden Soil

A less expensive blend of rich compost, sandy loam, ash and cow manure. A well drained mix with good physical characteristics and added fertilizer for good all round growth.

Green Fingers popular **Organic Premium Garden Mix**

is always available. Perfect for the instant garden.

Introducing **All Seasons Potting Mix**

With growing trials & Laboratory Analysis now complete, we can introduce our latest mix with confidence of a Quality Product at a Budget Price.

This is a well-balanced potting mix, with good air-filled porosity and moisture holding ability. This is the ideal mix for indoor, outdoor & native stock. For optimum results we recommend the addition of a slow release fertilizer.

NIASA Accreditation

Setting the Standards

2011 has been a very busy year - July brought on the success of NIASA Accreditation. Proud to announce that Green Fingers Potting Mix is an "Accredited Growing Media Supplier".

**Bark Supply Issue??? No Problems @ Green Fingers
Plenty of Bark All Year Round.**

We would like to take this opportunity to say "Thank you" for your support over the past year and wish you all a Happy and Safe Holiday Season.
